

Character Clues (Cutout Pages)

Dr. Lena Hartmann

About Marcus Kiefer:

She was last seen arguing with Marcus Kiefer during the dessert course, but later reported missing from the event, suggesting she may have been involved in the murder to cover up her own role in the exhibit's design.

About Sophia Vogel:

Sophia was present during the dessert course, visibly supportive of Elara's stance, yet later showed no signs of distress or concern, raising questions about her knowledge of the poisoned dessert.

Marcus Kiefer

About Dr. Lena Hartmann:

He met Elara privately before dinner, allegedly assuring her the exhibit was 'not a commercial exploitation,' yet later he was seen arguing with Elara during dessert, suggesting he may have been planning to sabotage the protest.

About Isabella von Kiel:

He had a private meeting with Elara before the gala, but Isabella was also present during the dessert course, and he later disappeared from the event, indicating a potential conspiracy to cover up the murder.

Sophia Vogel

About Lina Müller:

Both Sophia and Lina were seen collaborating on protest posters before the gala, yet Lina was not present during the dessert course, suggesting she may have been involved in the poisoning.

About Elias Rost:

Sophia was visibly supportive of Elara during the dessert course, yet Elias, who was seated nearby, showed no signs of distress or concern, which is inconsistent with the severity of the event.

Elias Rost

About Isabella von Kiel:

Elias was present during the dessert course but later reported missing from the event, suggesting he may have been involved in the murder to cover up his role in the exhibit's design.

About Lina Müller:

Elias was seen arguing with Elara during the dessert course, yet later he was reported missing from the event, indicating he may have been involved in the murder to cover up his role in the exhibit's design.

Isabella von Kiel

About Rainer Schmidt:

Isabella met Elara privately before the gala, but Rainer was not present during the dessert course, suggesting he may have been involved in the murder to cover up his role in the exhibit's design.

About Lina Müller:

Isabella was present during the dessert course, yet Lina was not present during the dessert course, suggesting she may have been involved in the murder to cover up her role in the exhibit's design.

Rainer Schmidt

About Lina Müller:

Rainer was known to support Elara's activism, yet Lina was not present during the dessert course, suggesting she may have been involved in the murder to cover up her role in the exhibit's design.

About Sophia Vogel:

Rainer was known to support Elara's activism, yet Sophia was not present during the dessert course, suggesting she may have been involved in the murder to cover up her role in the exhibit's design.

Lina Müller

About Sophia Vogel:

Lina was seen collaborating with Sophia on protest posters before the gala, yet Sophia was not present during the dessert course, suggesting she may have been involved in the murder to cover up her role in the exhibit's design.

About Elias Rost:

Lina was not present during the dessert course, yet Elias was present during the dessert course, suggesting he may have been involved in the murder to cover up his role in the exhibit's design.
