

Character Sheet: Otto Krueger

Image not available.

Case

Location:

Kiel's annual coastal gala hosted by the local maritime union, where political figures gather to discuss of fshore energy deals

Victim Name:

Elias Voss

Controversial Theme:

data leak exposing municipal corruption during his tenure

Summary:

Elias Voss was found dead at the head of the dinner table, his chair overturned, a glass of pannfisch m mustard sauce spilled beside him. The dinner menu - shrimp salad, pannfisch, and red berry pudding - w as served by the same waitstaff who had recently leaked his private emails. Guests claimed they were unaware of his death, but the timing coincides with the dinner's announcement of a new offshore projec t.

Timeline:

The murder occurred during the dessert course, around 8:45 PM, as guests were laughing over the 'sweet' ending of the evening's political debate. No one noticed the victim's body until the waiter returned w ith the final course, and the room fell silent as the lights dimmed.

Victim Description:

42, former mayor, now exiled activist, known for transparency reforms
