

# Victim's Last Day

## Overview

Elena Voss spent her final day in Kiel preparing to expose offshore financial corruption at the Seabird Gala, where she was fatally stabbed during the Coq au Vin course. Her supporters and rivals were present, with tensions high over the town's hidden shell companies. The murder occurred during a moment of distraction, masked by the warmth of the wine and the dessert's hidden poison.

## Timeline

09:00 @ Elena's office

Elena finalized her data leak draft, threatening to expose the offshore shell companies. Marcel and Elias, both town council treasurers, reviewed the documents, aware of the potential fallout.
